The image shows a smartphone screen with the DailyPay app. The app has a red header with a hamburger menu icon on the left and a notification bell icon on the right. Below the header, it says "Good morning!" with a sun icon. The main content area includes a card for "Available earnings" showing "\$711.39" and a "Start transfer" button. Below that is a "Financial health" section with a "See your credit score" link. Further down is a "Get deals with Perks" section featuring an "Insurify" offer to "Save up to \$1,025/year on car insurance". At the bottom is a navigation bar with three icons: a clock for "Today", a dollar sign for "Earnings", and a heart for "Perks".
