New Hire Orientation Presentation

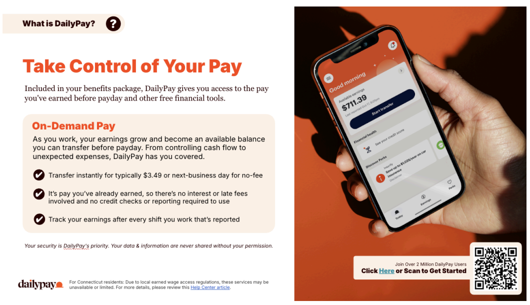
Presenter Talk Track

EXPRESS TALK TRACK

This express talk track is designed for any client contact presenting the DailyPay new hire orientation slides. It meant to be spoken naturally. Feel free to paraphrase in your own words. The presentation time for materials is 2 to 3 minutes.

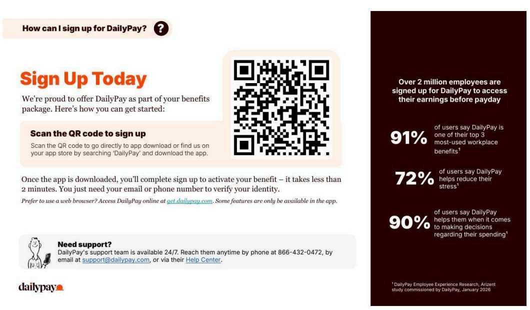
Note: If a new hire asks a question you cannot answer, please direct them to DailyPay support: 866-432-0472, support@dailypay.com, or the User Help Center. All support channels are available 24/7 in English and Spanish.

Slide One: What is DailyPay



- DailyPay is a benefit we offer that gives you free financial tools and allows you to get the pay you've earned before your payday.
- As you work and you submit your hours, you can track what you've earned and watch them grow in the app.
- If you need money before payday, to pay for a bill, unexpected expense, or just cash flow, you can transfer whenever you want – to destinations , like bank accounts, prepaid or pay cards, and money apps, instantly for typically $3.49 (check the DailyPay app for your exact instant transfer fee) or next business day at no charge.
- To be clear - DailyPay gives you access to pay you've already earned, so there's no interest or late fees involved and no credit checks or credit reporting required to use it, just a benefit we make available to you to help you manage your finances and reduce stress.
- DailyPay also gives you access to a full suite of other financial tools at no cost. You get access to like pay tracking and savings tools, exclusive discounts, credit monitoring, and free financial coaching.

Slide Two: How to Sign Up



- Signing up takes less than two minutes and you can get started now by scanning the QR code. From there, you'll download the app, and use your email or phone number to verify your identity.
- If you have questions, DailyPay offers 24/7 in English and Spanish at 866-432-0472, support@dailypay.com, or via their Help Center.
- Once you sign up - a few things to remember:
  - When you make your first transfer, DailyPay updates your direct deposit in payroll to route through a DailyPay bank account. Don't remove or change that account number. It allows DailyPay to deposit your transfers and paycheck to your selected account, which you set up in the DailyPay app.
  - On payday, you'll get your full paycheck minus anything you transferred before payday and any fees. Your bank statement might show a payment from Wells Fargo, PNC, or DailyPay - that's normal as that is DailyPay's banking partner.
- Thank you for your time and attention today. We are excited to offer DailyPay and hope you take advantage of it!
